

Open House ITB 2025

Fakultas Ilmu dan Teknologi Kebumihan

SABUGA ITB, 13 – 14 DESEMBER 2025

<https://www.itb.ac.id/>

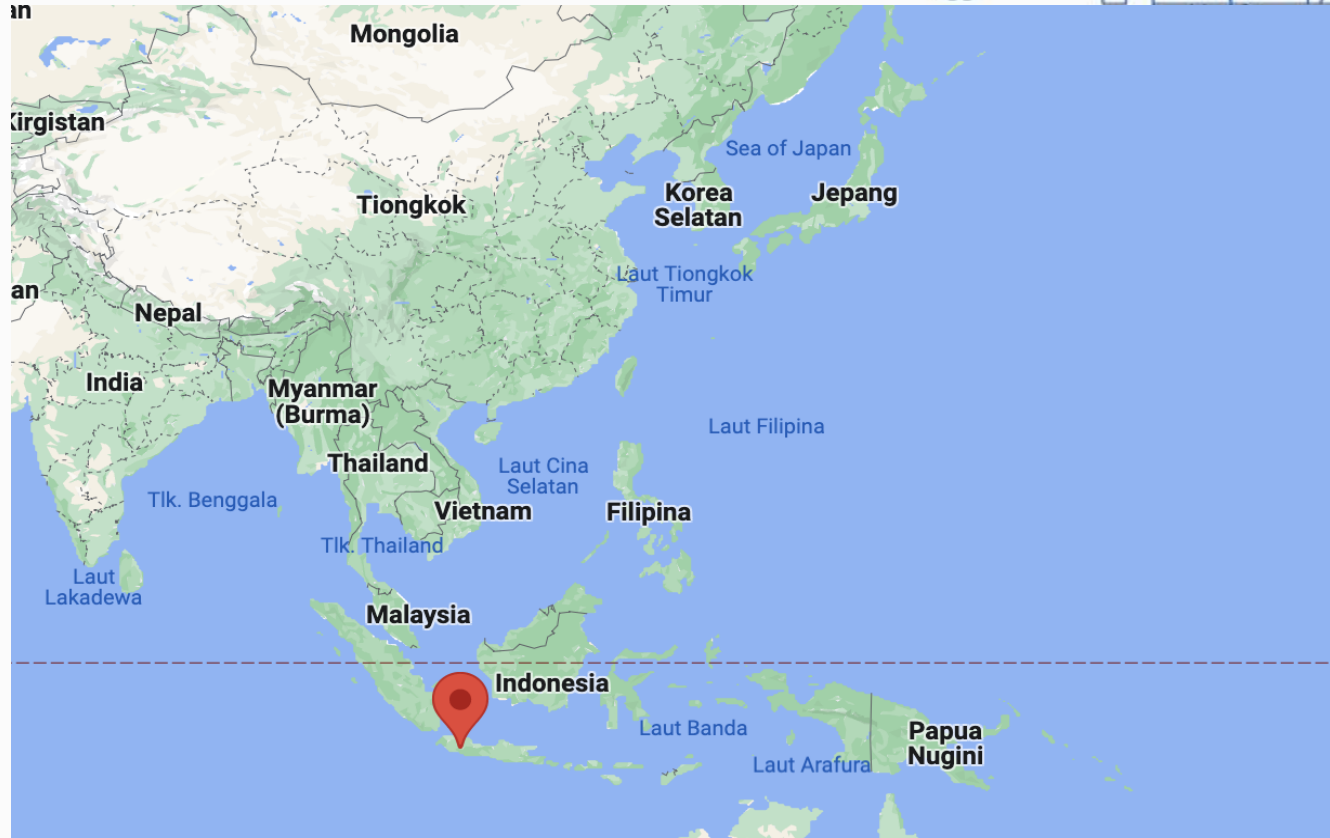

3 JULI 1920:
De Technische
Hoogeschool Te
Bandung

1944-1945:
Bandung Kogyo
Daigaku

1945-1946:
Technical High
School (STT)

Location

Institut Teknologi Bandung (ITB)

Global Rankings

- QS World Rankings 2025: #256
- QS Asian Rankings 2025: #59
- THE World Rankings 2025: 1201–1500
- THE Asia Rankings 2024: 401–500

Education and Teaching

- Multicampus: 4
- Faculties and Schools: 12
- Study Programs: 137
- Joint Degrees: 10
- Lecturers: 1,422
- Students: 27,506

Innovation

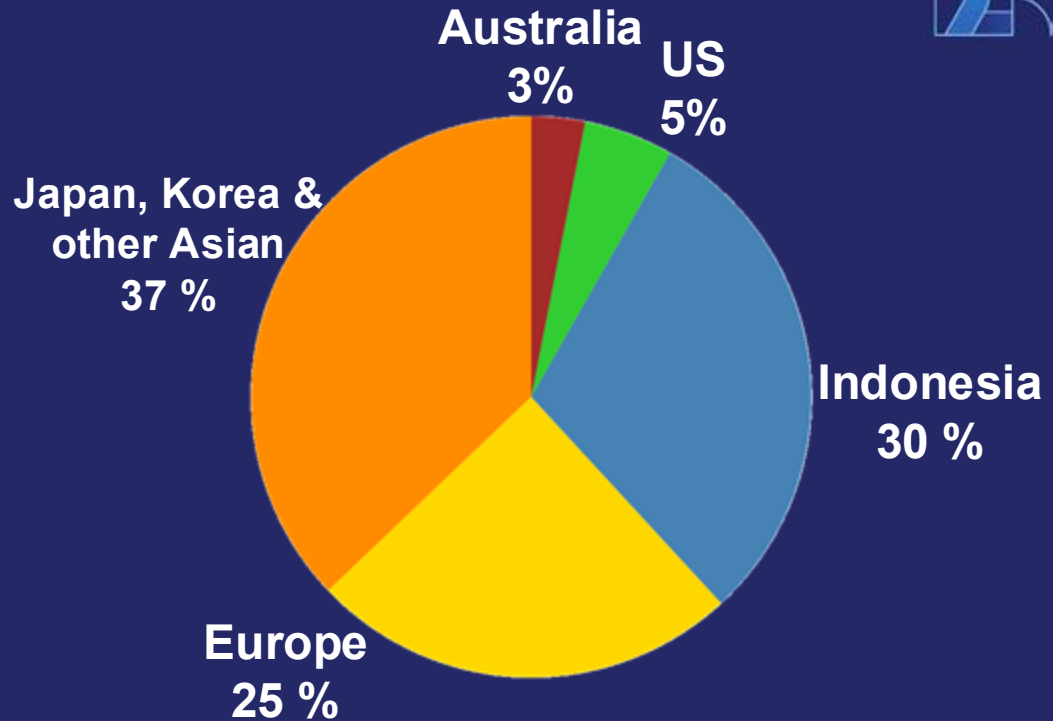

- Startups: 244
- Intellectual Property Rights (IPR): 1,176
- Innovations: 212
- Tenants: 972

Research

- Research Centers: 26
- Centers of Excellence in Science and Technology: 9
- Research Institutes: 7
- Expertise Groups: 113
- Laboratories: 198
- Scopus-indexed Journals: 1,248
- International Journals: 421
- International Proceedings: 674

Lecturer : graduated from the country (N=109)

Lecturer : 105
Researcher : 4

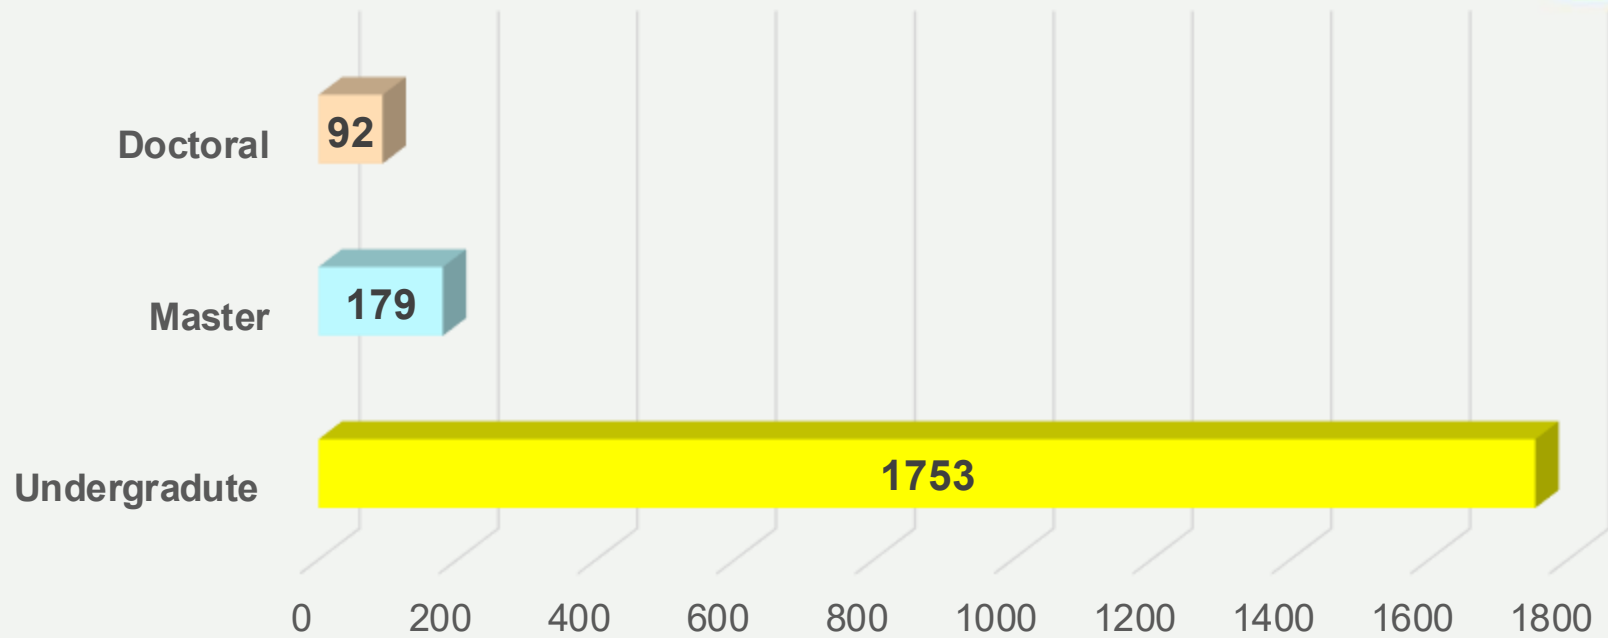

Undergraduate Programs

- Geological Engineering
- Geodesy and Geomatics Engineering
- Meteorology
- Oceanography

Graduate Programs

- Geological Engineering (master and doctoral programs)
- Geodesy and Geomatics Engineering (master and doctoral programs) – **Disaster Risk**
- Earth Sciences (master and doctoral programs) – **Climate Change**
- Groundwater Engineering (master program)

FITB student population

Research Groups

- Paleontology and Quaternary Geology
- Geodynamic and Sedimentology
- Petrology, Volcanology, and Geochemistry
- Applied Geology
- **Engineering Science and Geodetic Innovation**
- **Spatial and Cadaster Systems**
- **Geographic Information Science and Technology**
- **Hydrography**
- Atmospheric Sciences
- Environmental and Applied Oceanography

Science & technology
have always been
evolving over time.

OCEAN DEEP

SKY HIGH

Pushing its own boundaries,
seeking new possibilities,
moving towards new frontiers.
